# Sophia Boucher

Toy Designer ~ Illustrator

## About me!

I am a Toy Designer who loves collecting whimsical trinkets and innovative toys. I am passionate about creating unique characters and designing detailed stories and worlds to enhance play experiences.

## Experience

### Target Advancing Design Diversity

#### Mentorship Program

- Program guides college students to careers in design through professional mentoring.
- A small group of students were selected from a large number of applicants.

October 2024  
May 2025

### Otis College of Art and Design
